I'm telling you that way of thinking you have is gross, you damn mothercon!!
Mutter
Mutter
Your Mom again!? Every time you open your mouth it's Mom this and Mom that. Just what are you to Ayako-san anyway!!?
I'm not a mothercon!!
I'm her daughter!! Also don't call her by her first name! Even I don't call her like that!!
Hah
Hah
Hah
Hah
I understand that it's a bit different from the usual
But y'know...
Yours is a fatherless household, after all.
...I guess?
Mizuno-san.
It's still worrisome that a daughter is that clingy with her mother
It's about time you started thinking about becoming independent, don't you think?

.....
Clatter
There's something I need to discuss about our earlier conversation.
Do you have a moment?
Okay
Ah... sure
I'll go out for a bit
Become independent
Huh
Huh?

You want us to sleep together..?
How old are you..?
DASH
Anyway, I'm sleeping here tonight!
I've already decided!
Ah, wait! Asuka!
I-It's fine once in a while, isn't it? It's beautiful skinship between mother and daughter!!
No...
A high school daughter and her mother would be a bit more dry, wouldn't they
SHINE
Alright, then Just for tonight, okay?
Phew...
Silence...
Woosh

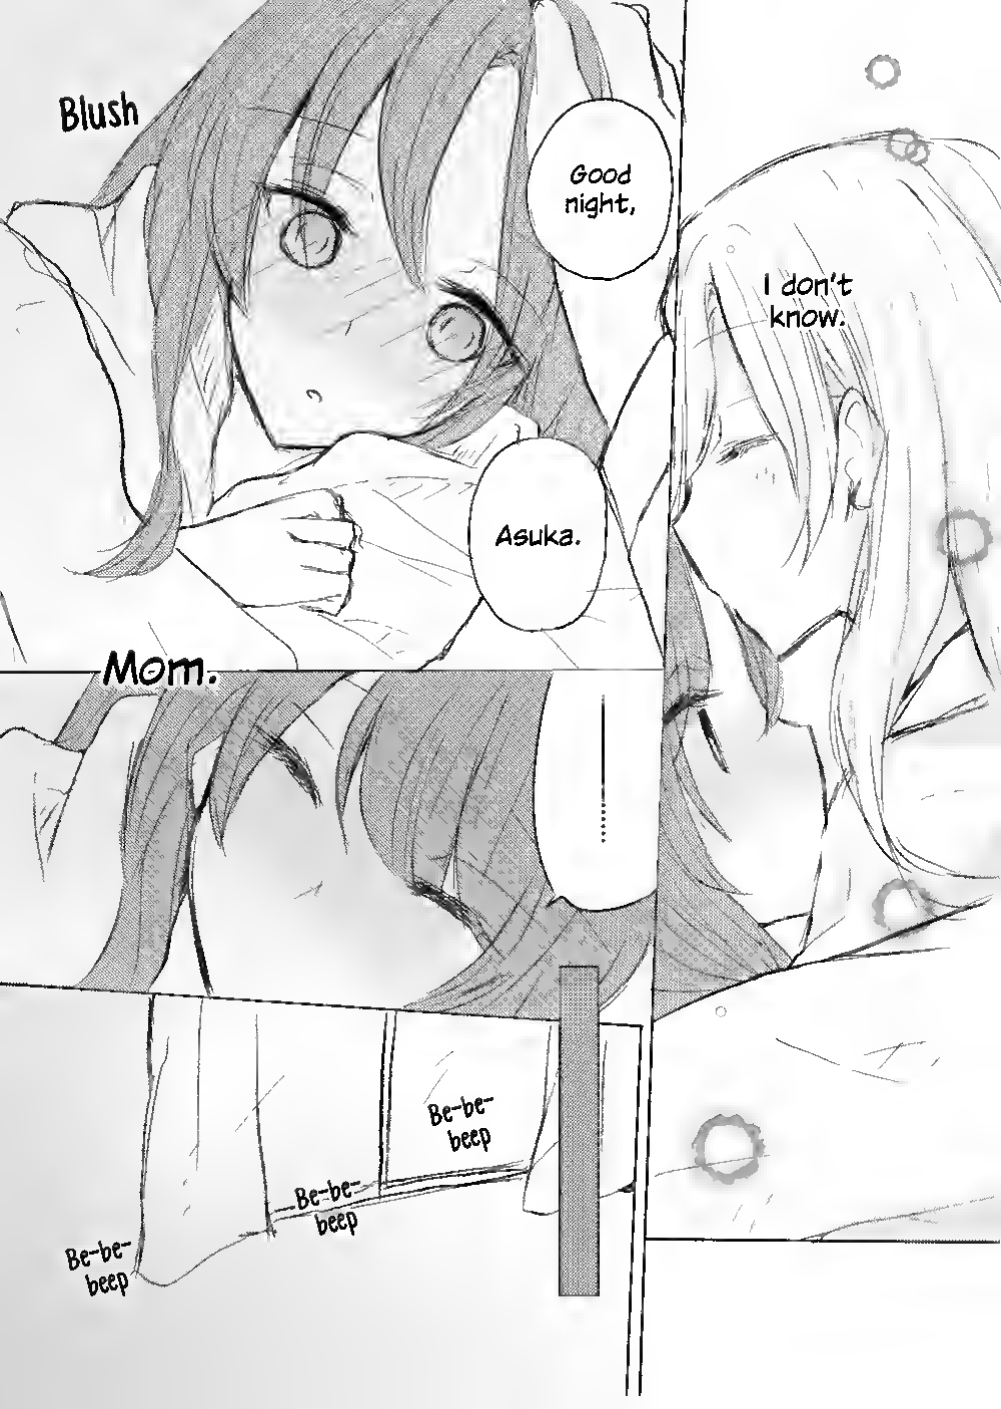
...Ah, oh yeah. Hey, Mom.
?
I wonder why she's acting like such a spoiled child...
Maybe I raised her the wrong way
I want you to do that thing you always used to do!
...Aah...
No, that's a bit embarrassing to do it now. You're not a kid anymore.
Eh~ Cheap-skate.
Come on
You've got school tomorrow
Go to sleep.
Okay.
The "like" I feel towards Mom is a little different from other people.

Even so
saying that the way I "like" Mom, as a mother, has disappeared or something
isn't really accurate.
That's why I have to become more independent.
I can't just act so spoiled all the time.
I know that very well.
But...
What about the other half of my feelings?
Just what am I supposed to do with those feelings?
Good night, Mom.



Blush
Good night,
I don't know.
Asuka.
Mom.

Again?
B-But— Maybe just a kiss on its own is unexpectedly safe—?
Hah
What happened last time
It's long past the point of just being awkward. At the worst, I might get disowned—
It's not a matter of impulse or whatever— What am I supposed to do if she finds out—?
Eh—? Hold on a minute Just what was I doing—??
Peek
How long does it take you to wash your face?
That's a straight-up out!!
Like hell it is! I'm a high schooler already ...!!
Flinch
!!?? S-S-S Sorry, I won't do it again!
?
Just don't
disown me!!
Is she still half-asleep—?

Badum
It seems my "like" for Mom is closer to what you'd call "romantic affection".
Badum
—I-It'll be fine—
Mom probably didn't even notice it—
Just act normally!
Badum

Of course, Mom doesn't know anything about that.
Even I wouldn't just push my unreasonable feelings onto her to the point of destroying our current relationship.

Glance
However...

My desire that keeps growing stronger every day,
both physically
and emotionally,
is soon approaching its limit.
Just why does she have to look so sexy every single morning ?
Turned on
